FACELAW MAGAZINE FACELAW MAGAZINE FACELAW MAGAZINE FACELAW MAGAZINE

FACELAW will also have an online legal magazine as another medium to connect with the public. It is without a doubt that hard cover books have a great deal of intellectual knowledge and value, therefore, it is important to emphasize that Facelaw's goal is not to diminish those books, but rather to provide legal information to the public with greater accessibility.

THE MAGAZINE will employ a list of licensed lawyers, paralegals and immigration consultants in a user-friendly directory for people to find the right professional for their legal needs. Following this, all publications produced by the professionals and relevant legal information that can be of use to the public will be easily accessible within the magazine. The magazine can be accessed through our website as a download both in written and audio form or the printed version the magazine can be delivered to your home and/or workplace.

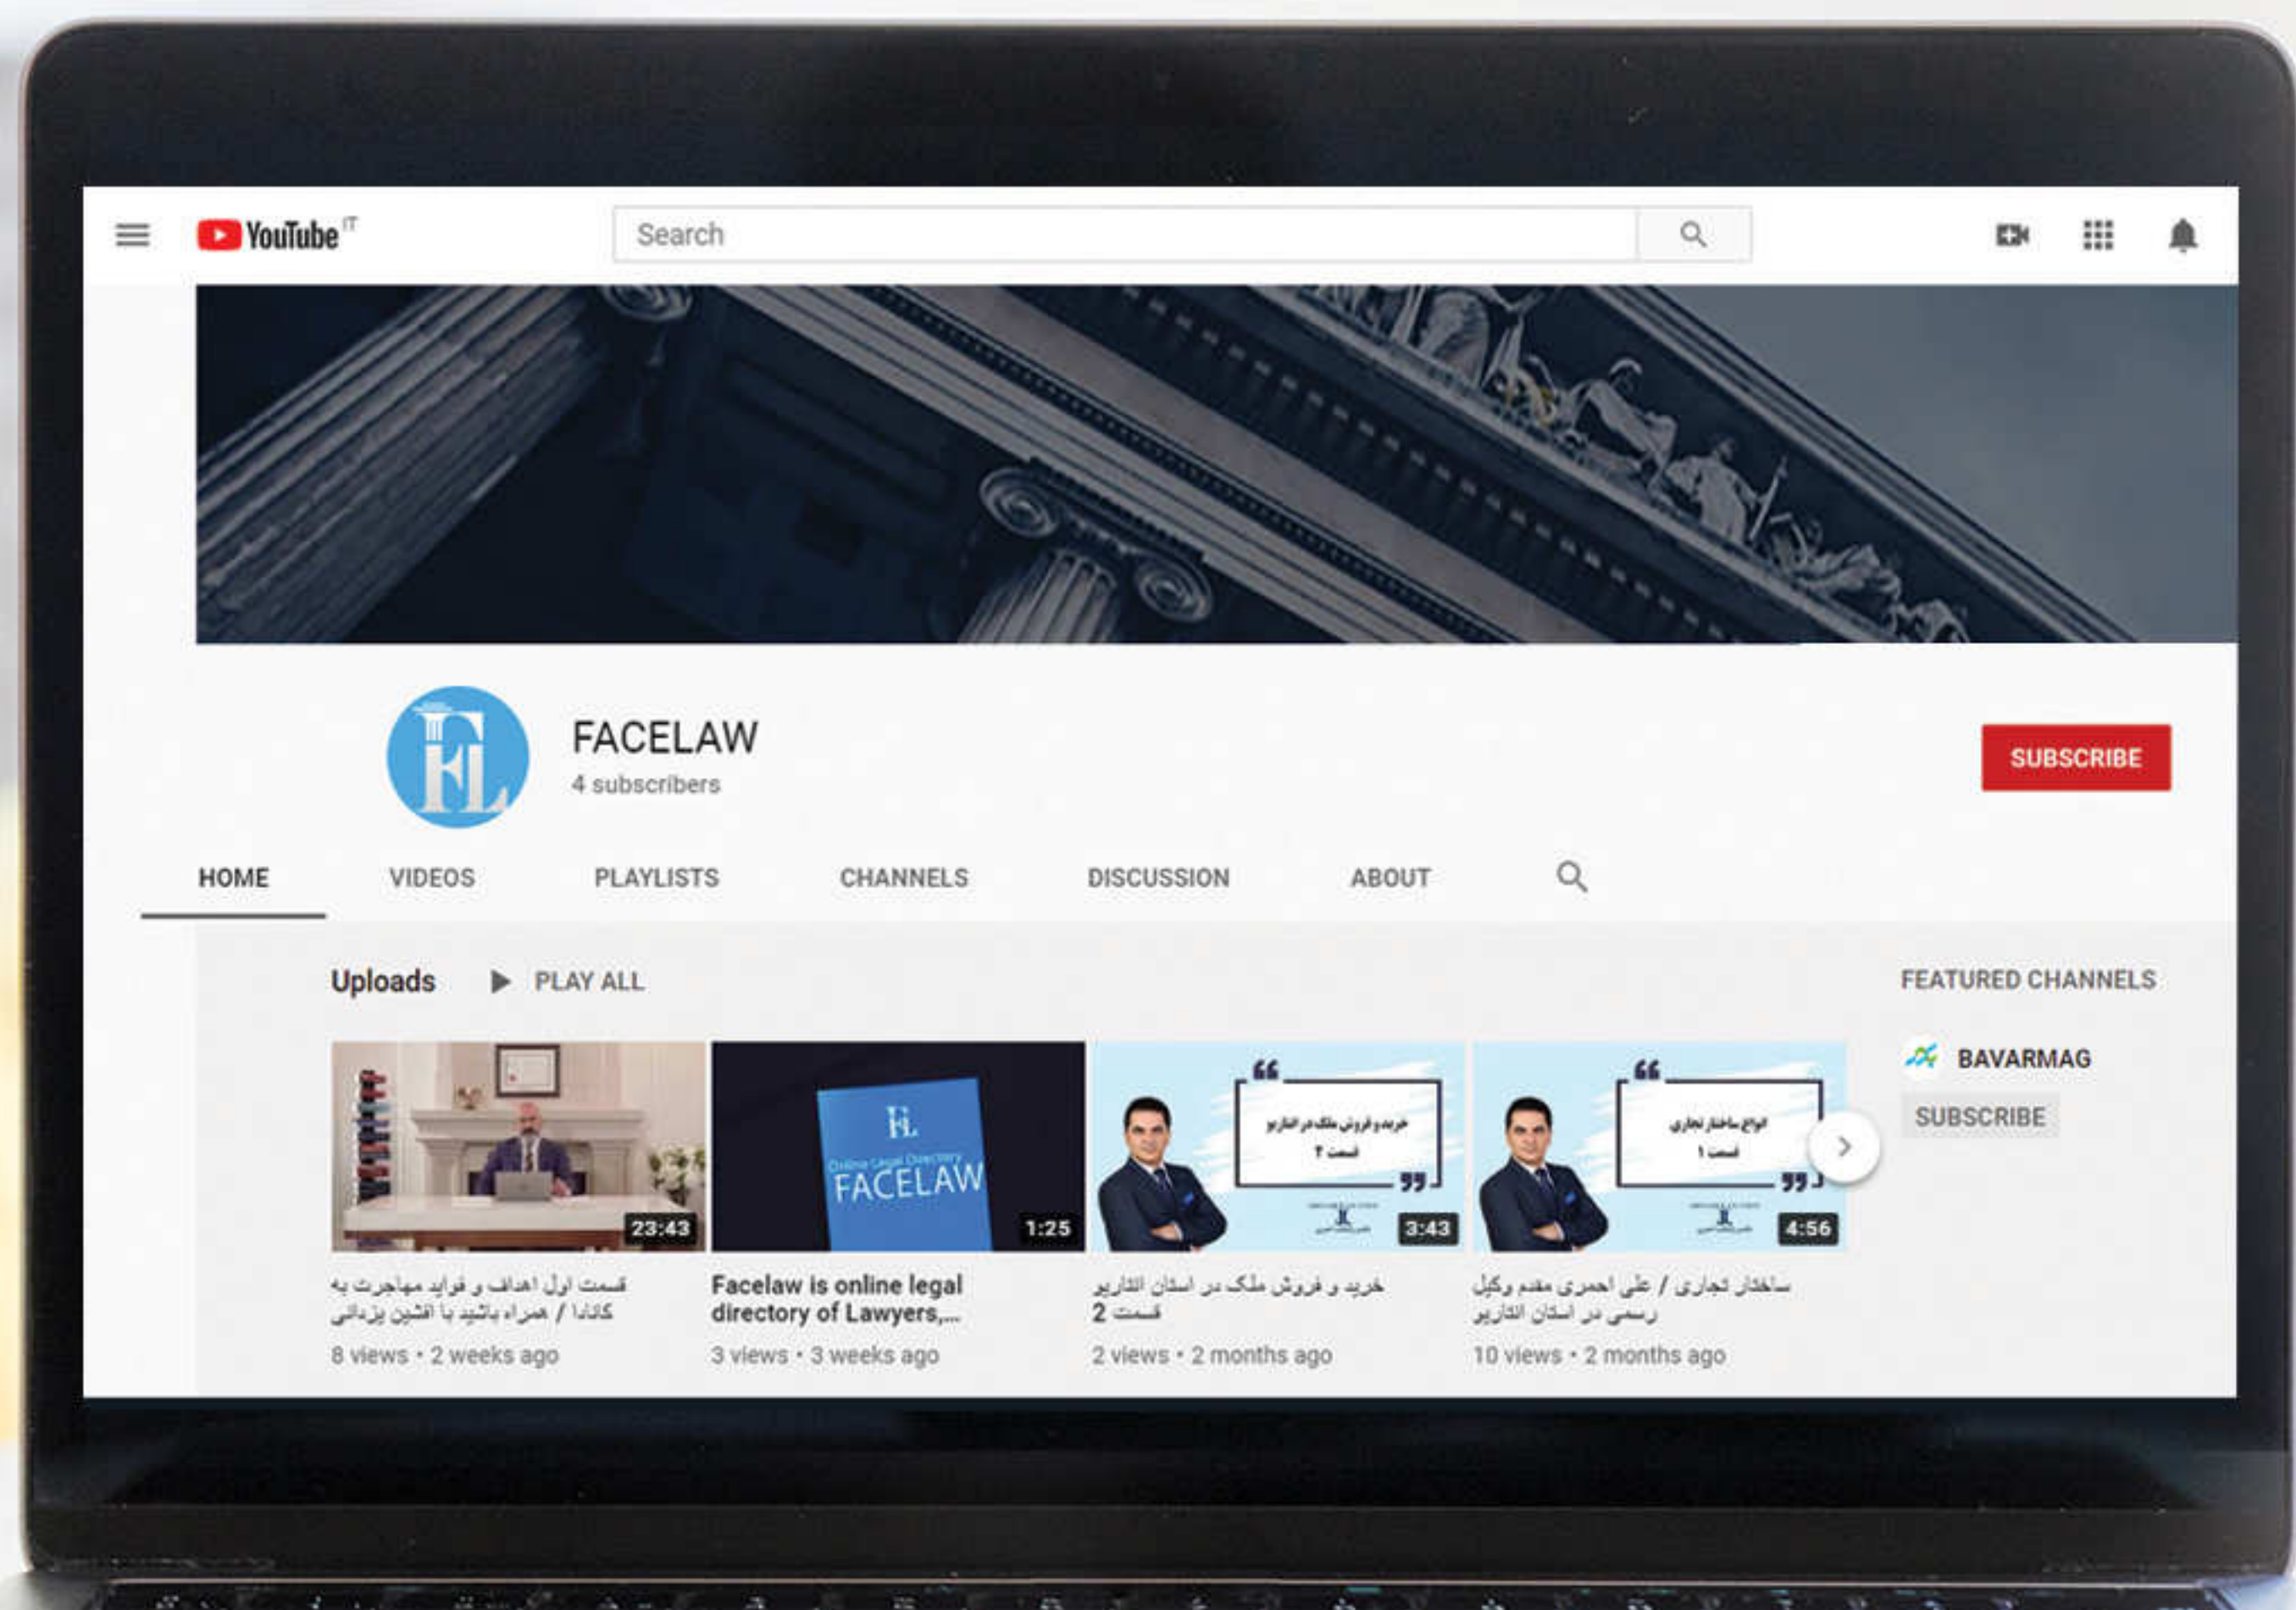

In today's technologically advanced world, social media has become the new phenomenon to connect the world on all levels. The world has technologically moved forward in a way that people no longer just rely on radio or TV to access their favorite program.

Now more than ever, smartphones, tablets, laptops, computers, and any device that connects to the internet have the ability to provide us with the latest information on a given topic within seconds. Likewise, social media platforms, such as internet, TV and radio, are now instrumental for businesses to advertise their services to the public. This process is not only much cheaper than conventional methods of advertising such as radio or TV, but also provides an opportunity for businesses to maintain direct relationship with their audience.

Radio FACELAW
