Why Should Lawyers Optimize Their Websites and Have STRONG SEO?

In today's digital world, having a strong website is no longer an option for lawyers, it's a necessity. One of the most crucial aspects of a lawyer's website success is search engine optimization (SEO). SEO not only increases lawyers' visibility online but also helps attract new clients.

To optimize a lawyer's website effectively, collaborating with a certified professional from Google, such as trainers or individuals with official Google certifications, can be highly beneficial. These experts are not only well versed in the latest Google trends and algorithms but also have experience in successfully executing projects in the legal field and securing high rankings on Google's first pages. This combination of knowledge and experience can elevate a lawyer's website to a higher level.

Exciting News:

The **FACELAW** website, an online directory of lawyers, has been optimized and is updated daily by a professional team. Important keywords are continuously monitored and optimized. Lawyers who are members of Facelaw can greatly benefit from this incredible advantage.

Many important keywords are now ranking on top pages of Google and on the first page of search results.

EXPERIENCED FAMILY LAW LAWYERS

▶ POROSHAD MAHDI Lawyer

Having graduated in 2001 from the University of Toronto with a joint Law degree and Master's degree in International Relations, I have been practicing family law since 2004. Prior to that, my career began on Bay Street as an associate at Blake, Cassels and Graydon LLP, where I gained valuable experience in significant business and financial transactions.

Practicing in family law with meaningful experience in all its aspects, I have represented over a thousand clients in issues ranging from custody and access, support issues, property division, and complex financial disputes.

As a family law lawyer, I often see people at the most difficult of times. Clients feel a range of emotions from sadness, anger and denial to optimism and hope for the future. Focusing on my client as a complete person, my goal is to provide legal advice and guidance on the best path to resolving matrimonial issues in the most cost effective and timely manner.

While I recommend settlement when it is reasonable and meets my client's expectations, I am also a strong advocate at court for my client's rights and entitlements when litigation is called for. Having been noted in more than twenty (20) precedent setting cases and appearing before all levels of court in Ontario, I have extensive courtroom experience in the Ontario Court of Justice, the Superior Court of Justice, the Unified Court of Justice, and the Ontario Court of Appeal.
